The Herb Stern Longport Scholarship Fund announces that it will award up to \$25,000 in scholarships in 2024. Longport resident students who graduate high school this year or who are now in college or graduate school are eligible to apply for scholarship awards. Longport students can find the application on the Fund's website, longportscholarshipfund.com. The students must download the form, fill it in, and email it as directed, along with the required supporting documentation, by the deadline of April 1, 2024.
