REQUEST TO EMPTY SWIMMING POOL

IN ACCORDANCE WITH BOROUGH OF LONGPORT ORDINANCE 153-9

No pools shall be emptied unless and until a regular or special permit is first had and obtained from the Public Works Department of the Borough of Longport, or other designated borough office. Upon receipt of a valid regular permit, pool water which contains no chemicals, or contains chemicals which are on the Department of Environmental Protection approved list for discharge to the storm drainage system in the street via a hose connection directly to the grate. Upon receipt of a valid special permit, pool water which contains chemicals which are not on the Department of Environmental Protection approved list for discharge in storm drains shall be discharged into the sanitary sewer system under the supervision of a public works employee. Appointments may be arranged through the Public Works office. All permits shall be valid for one day.
