<input type="checkbox"/> 95-Gallon Wheeled Recycling Cart	\$65
<input type="checkbox"/> Extra 20-Gallon Blue Recycling Bucket	\$10

Please note:

Renewal Applicants already have a trash cart from prior service. This registration fee does not include additional containers.

- **How it works:** ACUA's collection staff will retrieve the containers from the residence, empty them and return them to the residence. Participating residents will NOT need to bring containers to the curb.
- **Service Period:** Residents must apply for the service periods listed above. If a resident applies after a service period begins, rates will not be prorated and the full rate for that service period will be charged.
- **Trash:** All trash must be placed in the 95-gallon cart purchased from ACUA. The cart will be the property of the property owner. ACUA will collect up to two 95-gallon wheeled trash carts at each property on your scheduled collection day.
- **Recycling:** ACUA will collect up to two recycling containers at each property on your scheduled collection day.
- This service does not include yard waste collection, construction debris or metals, and does not apply to condominiums, apartments and commercial establishments. This service is available to residents who currently have curbside collection.
